From: Katherine Lose, Remedial Project Manager (RPM) *KL*
DE/MD Section (3HW42)

Subject: Notification of Federal Natural Resource Trustees
Standard Chlorine of Delaware, New Castle, DE

In accordance with the requirements of the Superfund Amendments and Reauthorization Act (SARA) of 1986 and in particular Section 104(b)(2) and Section 122(j), we are hereby providing you with formal notification of the following (check appropriate paragraph):

- ☐ We have determined from ongoing assessments or investigations that potential injuries to natural resources may result from releases under investigation at the subject site (Section 104(b)(2) of SARA). This notification is to inform you that the subject site is proposed for inclusion to the National Priorities List (NPL).
- ☐ This notification is to encourage you to become involved in scoping of the Remedial Investigation/Feasibility Study (RI/FS).
- ☒ The RI/FS for the subject site is nearing/has been completed. This notification is to request you initiate the development of your position (via a Preliminary Natural Resource Survey [PNRS] if appropriate) on granting a Covenant Not to Sue for Natural Resource Damages. The Record of Decision (ROD) for this site is scheduled to be issued on the following date: September 24, 1993.

You should be aware that the critical dates surrounding these activities are as follows:

Tentative Schedule Dates: 1) June 14, 1993 Proposed Plan, 2) August 16, 1993 Comment Period ends; 3) September 24, 1993 ROD issuance.

Attachments: Final RI, Draft FS (NOAA only)
